ly and without delay. Both House sed a supplemental Reconstruction lly construing and explaining former The new bill is short and pointed ofore in removing civil officers and for registry or strike any name om the list, in case they are satisfied of the or members of the Board of Registration may officer or appointee under him, shall be so agitate this question that at least one disund in his action by any opinion of any Ivil officer of the United States."

In short, this supplemental bill, while it mposes no new condition whatever upon the ebels, distinctly announces that the matter of Congress, and that no whim of the Presilent or opinion of the Attorney General shall be permitted to hinder the work of recountracting the rebel States in the interest of Union and Freedom.

" Radical Extravagance." Mr. F. I. Nonrox charged the city \$150,00 | Gentlemen would receive a new stimulu Young's expenses on his late trip for a new knowledge to be official falsehood, but ap

hand engine were only \$60,00.

Two years ago Mr. F. I. Norrox was appointed a special agent to visit the manuleges and not be permitted to so the publicants. one for the city. of the Examiners for the present year show with a view to purchase one for the city. If the Examiners for the present year show the visited Seneca Falls, New York, and the establishment of the Amoskesg granted are of that grade, and force upon us company, traveling twenty-two hundred miles and being absent eleven days. The inaugurated to induce or enforce higher Council granted him an order of \$150 00 for scholarship. It nothing else would suffice, expenses, and on his return be paid back to I would be in favor of driving every such inthe Tressurer \$54 00, making his expenses competent person from the schoolroom, for the trip less than \$190 00. He made a Nothing, in my opinion, would have a great-purchase of a Steamer from the Amakeas or tendency to stimulate them, to exercise

fer made to the Council.

He also made arrangements for the purchase of hose and fixtures at \$600 less than they had been offered to the Council, and these were afterwards bought by Mr. Shands at a saving of at least that amount to the city.

Before Mr. Noaron started the Council were receptibilities for the purchase of an inferior. Refore Mr. Noaron started the Council were negotiating for the purchase of an inferior Steamer for \$1,400] more than he paid, so that at the lowest estimate the city was saved \$2,100 by Mr. Noaron's agency. Captain Young's expenses were some \$69.00 and so that the idea is not so very preposterous. In ar as we have been able to learn, nothing your department of industry you are oblig was accomplished that might not have been ed to "eat your bread by the awast of your done equally well by a three cent stamp.

The only report that has been made to the Council was the bill of expenses and the price our speculating friends of the city, your of such an Engine as is needed by the Dehands are calloused by the implements of partment. As Captain Young is not a practical machinist his judgment of the comparties merit of different engines is of little value. ue and the sending of any one not a practical that you should the most, - the distrured nachinist on such a trip was a needless ex- of the public school fund. Look at ou penditure of money. Our statements in this summer schools. Who are realiging the matter may be verified by consulting the city benefits of that expenditure of money? Are records. So much for "Radical" extrava-

it, or does the tencher carry it away. leaving a value in the stend? John C. Lee, Republican candidate the latter. I have in my mind a school in August, 1861, as Major of the Fifty-fifth an expense of twenty-two dollars pen month scholars, and I have been informed by the lowing, the regiment went into camp at Norwalk. On the 25th of November Major Lee rork in the field was in Virginia, in Schenk's ommand, in the campain against Stonewall ent for his coolness, amid the demoralization, which prevailed during the latter part of the tion. In May, 1863, he resigned his commission, urgent reasons existing for his pres-ence at home. His services were recognized at the close of the war by a Brigadier Gen eral's Brovet. General Lecresides at Tiffin.

He is about forty years of ege. Champion of the Robels.

Though the rebel States are unrepresented from the farm. From May to September, in Congress, it is evident that the rebels are all the energies of the farmer are directed to not so. Mr. Mungen, of the Findley Object. Mr. Mungen, of the Findlay, Ohio, agriculture, and every available assistance District, as pires to become the champion of the dead rebellion in the House of Representatives, and on Saturday offered a resolution of rebel prisoners during the war. He was from the roll. The good matron, ebuked by the refusal of the House to sus- many cares and wearisome duties, discovers cend the rules. On motion of Mr. Wash- that her little girl, whose minible feet irne, of Wisconsin, a resolution was after- ever ready to repay maternal affection, ward adopted, asserting the belief of the save her many a step. and fellowship one with another.'

but those who are thoroughly prepared for OLYDE, July 17, 1867. Editors Journal :- The exhibitions given o Thursday and Friday evenings last, in Doc aldson's Hall, by the young gentlemen and ladies of Clyde Lodge I. O. G. T., were highly creditable to those engaged. Considschools conducted upon this principle the advance fifty per cent. in two years. | Ladies would see the necessity of a thorough preering that the performers were all new hands and had only a few days for practice, the knowledge, and qualify themselves to inperformances were good, and a handsome sum was realized for the benefit of the Lodge. It is hoped our young folks may be induced to try their hands again.

The wheat harvest is about secured and is in excellent shape. As to the yield we can

good business since Sunday. One or two fights, several drunks, and a general 'Sunday selling' of whisky have furnished the court a big grist. There is a disposition on the part of a few "whisky men," counselled by a shining light of the legal profession. United States during the war, but the House refused to receive it upon the ground that the prisoners of the United States were in no instance treated daily access of drunkenness and rioting. Especially do they seem bound to yend rum on the Sabbath. The village authorities in-tend to stop this. It is had enough, say they, to have whisky sold on week days. It seems likely the authorities will triumph, for May-I Lemmon seems bound to visit the penalty

Whisky selling on the Sabbath will cer tainly prove upprofitable in Glyde. It is hoped it may become unprofitable altogether. All crime ever committed in our village since its incorporation, has resulted from strong drink. There is not a case on the Mayor's Docket that did not originate in in drinks except two. After allowe have few intemperate people in proportion to our population than any town in this section of coun

Soi 17 CERVELAND July, 16, 1867. Eds. Journal: We have been slow to keep the promise of "aletter," only because every city has its excitements and while, we have had so much here, it has been impeasible to make a fair beginning.

In Oleveland has been drawing "spien-did houses, and if you are as great a lover of good dancing as ourselves, you will lend the brillancy of your eyes to a some unwith a daily average of not more than five tube-roses at the tipy feet of Signoretta Lovetta, who flies through the air like a Took a "plank down" in Box E, last night

sun-burnt, "menty" alab-sided woman with Board of Education to interpose and put a stop to this foolish aquander;?

The above is true of many of our restal schools in the summer seemen. Not more converted with a striped caudy pink. "rose that" none "were praising," and a fan large chough to have floated the Ark upon, accounting with a striped caudy pink. compained with a green jawky who insisted fit of the public money attend school at all.

You rarely find a child who has passed the age of twelve years, attending regularly, and why? Simply because they cannot be spared from the form. From May to September, s brought to the task. He finds the healthy,

sprightly boy of ten summers can lighten his burden in many ways. He calls him from his school, and his name is dropped

mal walks of her adopted home. Now whose fault is it that the school thue wages the United States. Mr. Harris, the chief your money until the hervest is gathered the Pacific Ocean have been for some mouths news, in his last letter:

General News Items. The passage on first-class steamers from Albany to New York costs twenty-five cents. There are new 1,041 convicts in the Col-limitus Penitentiary, of whom 133 are color

closed in this city to-day. The numbers registered are 3,277 whites, and 1,731 blacks. The House has voted that the next session

SENATE.—The Senate passed a Reconstruction Bill by a vote of 21 years to 6 nays. The bill goes to the House. House.—A Petition was presented by 900 citizens of Maryland asking congress to pass a law abolishing all distinctions on account of color throughout the United States.

The speaker announced as a select committee on the treatment of Union prisoners: Messrs. Scheock, Pike, Harding, Stevens (of N H.) and Munger.

The House resumed the consideration of

The House resumed the consideration of the bill for the relief of repentant deserters, provides that no soldier or sailor shall be It provides that no soldier or sailor shall be taken to be a deserter from the army or navy who faithfully served the prescribed period of his collisionent on the 18th of April 1865 and who without any proper, authority or leave first obtained to quit his command after the surrender of bee and Johnson. The Bill was passed.

SENATE.—Mr. Chandler called upon his resolution on Mexican affairs and made a apeech justifying the exacution of Maximilian. He hoped that Congress would not adjourn without expressions not only of sympathy but of sid, if need be, to Mexico. If any European monarchy determined to fight Mexico, it must fight the United States also, and the whole world could not whip the United States on American soll. His resolution provoked considerable debate, which showed that the sympathy of the Senate was largely with the Mexicaus. The Democratic Senators sympathized with Maximillian.

The Clerk of the House aunuunced the agreement of the House to the Conference Committee called for by the Sanate on the Reconstruction bill.

House.—A resolution was adopted directing the Select Committee on Southern Railroads to report a bill declaring the forfeiture to the United States of all lands in Mississippi, Florida and Louisians granted by Congress in 1856 for railroad purposes.

The House adopted the Senate bill on Reconstruction, with some slight changes. The bill goes back to the Senate for the action of that body.

Washington, July 13. SENATE.-Mr. Chandler called upon his the little Martins often pay us a friendly visit. "How good a thing it is to live in love

only guess, but it certainly bids fair to be good, perhaps many fields will yield 25 bushels to the arra while the average will be nearly 15 bushels. Oats are short—very short irmany places—and the yield must be below the average.

The "Mayor's Court" has been doing a good business since Sunday. One or two firsts average druphs and a good business since Sunday. One or two Mountains.

Washington, July 13.

Senatz.—The Senate adopted the bill on Reconstruction as returned by the House. It now goes to the President for his signature; if he vetoes it, Congress will pass it over his head.

A bill was introduced and ordered printed for the permanent location of all the Indian tribes, in a territory to be set apart therefor, between the Missouri River and the Rocky Mountains.

The House passed a bill appr printing \$1,675,000 for carrying into effect the Re-

Reconstruction acts from \$1,675,000 to \$1,000,000, was concurred in.

Mr. Windem introduced a bill to repeal the law of last session providing for the making of treaties with Indian tribes. A debate ensued and the bill was passed.

NEICHBORHOOD NEWS

From the Pt. Clinton Union: Jas R. New-omer, a Democratic friend, late of the edi-orial fraternity, and whilom one of our ort Clinton fellow-citizens, has been nomi-

Amending certain ordinances and repealing extain ordinances therein named and providing for the publication of said ordinances a There is but liftle change in the wool market and prices continue stendy at former quotations. In the opinion of many, wool will not commend much higher prices this year. Theorea are light and in a line condition, so the farmers fail to get the same weight of flesce as last year. In one instance a farmer in this county who sheared twenty more sheen than he did last year, got 127 pounds less wool.

HANCOCK COUNTY

fashionable folds of our delicate green-silk, and proclaiming the Black Orook 'a defected humbug." The continued attempts, and the final failure to hide that women's face with our flattering fan was laughable. The house was immensely crewded. "Demon Dance" of New York popularity, is keeping up the spirit and cest of theatricals.

The Fremont fourtai mixed us last week and thing in market of any value except blue forget-me nots. The plants do not saom to thrive well here, and we have been wondering if Fremont is praised for a healthier soil.

Farswell, you shall hear from us again, soon.
